Nice award and congratulations Bishop. The organization that gave the award should have been upfront with you with their real status with the United Nations. They are not UN but are one of the millions of NGOs around the world who can register with the UN for simple recognition. Your community service programs if registered as an NGO can also be registered with the UN. It's good to give an award but the truth has to be told, let your son Prophet Gideon research on that. We are in NYC and can help him do that. Bishop you are blessed and the REAL award would come your way. HERE IS THE LINK...http://csonet.org/?menu=100

Please chose/play carefully with your words, having an Economic and Social Council ECOSOC Consultative status doesn't mean that you are an UN Body (UN bodies are: GA, SC, ECOSOC, TC, ICJ, and the Secretariat) is just a consultative status. Consultative Status to the UN Economic and Social Council is the highest status granted by the UN to NGOs, Read more
